**ACTIVITIES FOR SUMMER VACATION**

**Lower Primary (Class I to V)**
On the last class day of June, the teacher will ask the children to make various teaching learning materials during summer break. For example:
- alphabet card, number card, picture card, poster, etc.
- various clay models based on shapes of different things.
- paper envelopes, greeting cards, flowers, etc.
- drawings on their favourite subjects.
- Children will be asked to practise their favourite rhymes, songs, etc.

Every student will plant a sapling in a clay tub or any such material and take care of it. They will bring their sapling to school on reopening day of the school and take care of the saplings everyday.

**Tasks to be completed by teachers, parents, social workers**
- Field trip/educational trip/family trip etc. will be arranged locally for children under the guidance of teachers, parents, guardians and active social personalities.
- Teachers will encourage children to help their parents or guardian in household/domestic works.
- Teachers will encourage children to participate in social festivals during summer vacation. Teachers will ensure that children complete their holiday assignments.
- Children will be encouraged to write their travelogue based on their various travelling experiences during summer break.

**ACTIVITIES FOR SUMMER VACATION**

**Upper Primary (Class VI to VIII)**
On the last class day of June, the teacher will ask the children to write articles, poems, stories, etc. at home. They will be asked to make various teaching learning materials during summer break. For example:
- travelogue, stories, poems, etc.
- cane and bamboo products
- handkerchief, table cloth, embroidery, etc.
- various masks, file cover, etc.
- posters, banners, slogans on favourite subjects
- drawings on their favourite subjects

Every student will plant a sapling in a clay tub or any such material and take care of it. They will bring their sapling to school on reopening day of the school and take care of the saplings everyday.

---
*Only those students who are attending from 8.00 am to 11.00 am will be examined.
*The students have been divided into two streams, the slow stream and the fast stream, the classes run from 8.00 am to 11.00 am and the second stream runs from 11.00 am to 2.00 pm. The two streams have different curricula and assessment methods. The slow stream is designed to provide a more gradual learning experience, while the fast stream is designed for students who are ready to move more quickly through the material. This allows for greater flexibility in the educational approach, catering to the diverse needs of students. The schedule ensures that students have ample time for rest and rejuvenation, promoting overall well-being. The activities are designed to complement the academic curriculum, fostering holistic development.
