ACTIVITIES FOR SUMMER VACATION

Lower Primary (Class I to V)

On the last class day of June, the teacher will ask the children to make various teaching learning materials during summer break. For example:

- alphabet card, number card, picture card, poster, etc.
- various clay models based on shapes of different things.
- paper envelopes, greeting cards, flowers, etc.
- drawings on their favourite subjects.
- Children will be asked to practise their favourite rhymes, songs, etc.

Every student will plant a sapling in a clay tub or any such material and take care of it. They will bring their sapling to school on the day of reopening of school and take care of the saplings everyday.

Tasks to be completed during summer break and the observation days

- Field trip/educational trip/family trip etc. will be arranged locally for children under the guidance of teachers, parents, guardians and active social personalities.
 - Teachers will encourage children to help their parents or guardian in household/domestic works.
 - Teachers will encourage children to participate in social festivals during summer vacation.
 - Teachers will ensure that children complete their holiday assignments.
 - Children will be encouraged to write their travelogue based on their various travelling experiences during summer break.
- 11th July:** World Population Day is to be observed with the aim to increase people's awareness on various population issues. Students can be made aware of them by conducting activities such as road meeting, road show, poster, wall painting etc.

| | |
|----------------------------------|----|
| Class days - | 0 |
| Sundays - | 4 |
| Summer holidays - | 27 |
| Total no. of days in the month - | 31 |
| (Observation days: 0) | |

- Teacher will have to conduct each lesson in every class keeping in mind the expected Learning Outcomes.
- Teacher will design lessons conveniently for differently abled children and transact accordingly.
- Along with other community members teachers, students will take responsibility in keeping their homes, schools and surroundings clean.
- It is our duty to be aware and help children, elders and differently abled persons while walking and crossing roads.
- One or more students of the Student Parliament will be appointed representatives to look after overall health and sanitation related provisions in school so that overall cleanliness of the school can be maintained. In this regard the responsibility of the Student Parliament will be changed from time to time.

ACTIVITIES FOR SUMMER VACATION

Upper Primary (Class VI to VIII)

On the last class day of June, the teacher will ask the children to write articles, poems, stories, etc. at home. They will be asked to make various teaching learning materials during summer break. For example:
