

## UNICEF SUPPORT TO SCERT ASSAM

UNICEF, Assam is closely working with SCERT, Assam to enhance the professional, interpersonal, and personal capacities of teacher educators of DIETs and academic faculties of SCERT, Assam as a part of teacher's education reforms. These initiatives are critical in terms of constant follow-up and collaboration with Government counterparts. UNICEF's technical support in restructuring and reorganizing teacher education in Assam has also been highlighted in several platforms by the state government. In the similar lines, a number of activities have been accomplished in 2016, which are important to ensure effective implementation of the Teacher Education Scheme in Assam and following activities have been carried out during 2016.

Name of the Activity	Year	Outcome
Study on MGML in Jorhat District *	2016	This has made teaching and learning joyful and neither children nor teachers feel any burden. Initially this required additional effort but now it is smooth
State Level Training on Leadership Development for Principals of DIETs	2016	This programme is helpful not only for the principals; it is also helpful for the teachers, head teachers, family and also the citizens of the society. Through this training programme what we have learnt that we can develop the society and also the future citizens of the society.
Workshop on Finalization of Handbook on Inclusive Education	2016	Handbook on Inclusive Education is finalized, printed and disseminated to TEIs and SSA
Training of Teacher Educators of DIETs and normal Schools on Handbook of Inclusive Education	2016	Teacher Educators are acquainted with Inclusive Education. They are conversant with the Handbook on inclusive Education and making a classroom inclusive. They are now aware of learning needs of CWSN and their role and responsibility as teacher educator for CWSN. They have understanding of CCE in an inclusive set up
Workshop for Teacher Educators of DIETs to Review D.El.Ed. Curriculum with IE perspective	2016	This workshop is helpful in disseminating the concept of Inclusive Education among participants. D.El.Ed Curriculum

		has been reviewed thoroughly with Inclusive Education Perspective during the workshop. It's a through learning exercise of curriculum for the participants. By dint of participants' suggestions and comments a draft of the curriculum is prepared.
Workshop to develop handbook for Performance Record/Review of Teacher Educators	2016	This workshop is helpful in disseminating the concept of Performance Record Review among participants. It's a through learning exercise of Performance Record Review By dint of participants' suggestions and comments a draft of Performance Record Review tool has been prepared.
Regular Technical Support to SCERT	2016	UNICEF has engaged an experienced consultant, whose technical and regular support is available to SCERT.
